

Hi Le Phare families!

Welcome to warmer weather and longer and brighter evenings!

Hoping everyone is enjoying this warm spring weather and ready for Easter. Happy Ramadan to all those celebrating.

We have persevered for the last two years and everyone is working hard to get back to pre Covid routines. With news of classes being closed due to staff shortages, we can all do our part to keep each other safe. Masking and staying home when sick are two ways we can keep covid numbers lower in our school. As we also learned this week, keeping windows open and taking advantage of outdoor learning opportunities are some of the many strategies being implemented at LePhare to minimize the impact of rising cases.

There are some developments going on that we would like to share with you.

- Lunch Program - We have received a go from the school board that we can start lunch programs again. Thank you for your feedback and responses. Many parents agreed to start with Pizza. We are still coordinating with the Lunch box team. More information to follow in the school council meeting.
- Planning for year end staff appreciation and Grade 5 graduation celebration. We would like you to please provide your inputs, suggestions and ideas.

YOU'RE INVITED

Please know you are always invited to join our Council Meetings to share your ideas with other parents, teachers and Principals. Next meeting is on **April 19th**, at 7pm. The Agenda is attached. This is the link: meet.google.com/fvz-sqxw-mdu.

Wishing you a sunny and smiling spring,

--
