

Good'day LePhare community,

On March 21st the OCDSB relaxed many Covid 19 restrictions in schools that have been in place for the past two years. Due to these changes and a return to a new kind of normal we have been given the go ahead to reinstate our lunch programs which help us invest in a variety of school initiatives.

As many of you may remember, before the pandemic, Parent Council was able to offer a variety of lunch options including Subway, Pizza Pizza and the Lunch Lady on a rotating basis, through our online ordering system LunchBoxOrders. For those new to our community we look forward to being able to provide you with some fun lunch options moving forward.

We need your help! We would much appreciate it if you could take a few seconds to fill out the google form below.

[Lunch Program Form](#) (Deadline to provide responses is **March 31, 2022.**)

In order to run these fundraisers successfully, we are in need of a few volunteers who will be able to come into the school, once a week, for an hour to an hour and a half and facilitate the process of handing out lunches. We anticipate the programs to start at the beginning of May. In many cases there will be student helpers to assist and we can walk you through the process. In the past, these volunteer positions have been shared by a few different people so that the commitment is only every two weeks, or even once a month. Without dedicated volunteers we cannot run this program. If you are able to volunteer, please indicate your availability in the form we have provided.

One last thing! In order to get the ball rolling, we need your feedback in terms of what options best meet the wants and needs of the community. At this time and late stage of the school year, the options presented in the form are the only options we are able to provide. That said, we welcome your feedback for the coming year and are open to your suggestions moving forward.

Thanks for taking the time to read this email and please provide your response before March 31, 2022.

We look forward to hearing from you and getting things started soon!
Keep you posted!!
