

Hello Le Phare!

Thank you all for such a fun Monster Mash! It was a big success. Soon, we'll let you know how much funding you helped raise for Le Phare. You can always donate to this year's fundraising goal here: [Auctria/LePhareFundraising](#). We can't wait to keep up with more fun activities!

Check out these 4 updates:

#1 - Buy Purdy's Chocolate

We have a new, delicious way to help! You order TASTY CHOCOLATE and the school receives a portion of the money raised, up to 25%. Please share this link with your friends, family and colleagues!

Order here: <https://fundraising.purdys.com/join.aspx/1809366-112157>

#2 - Buy Fundscrip Gift Cards

You can also help by buying GIFT CARDS. You order simple gift cards (plastic cards mailed to your home, or electronic cards sent by email), and Le Phare receives a percentage kickback. It's such a great holiday gift! You could also buy cards for your regular shopping (Metro, Loblaws, Walmart) and help the school at the same time.

Order here: <https://www.fundscrip.com/support-a-group> and enter code **3NCHAH**

#3 - Family Survey Open

Did you fill in our family survey yet? It's open until Friday, November 17. Your voice is important! It takes about 5 minutes, and it's anonymous.

#4 - Lunch orders November through June

Lunch orders are now open from November through June. Recall that orders placed early in the year had to be cancelled due to an error made by the vendor (LunchBox). Make sure you have orders in place for November through June if you wish!

Note: For any technical glitches or order problems, please contact LunchBox directly info@lunchboxorders.com
